FOR IMMEDIATE RELEASE

Popcornopolis Launches Exclusive Package of Organic Kettle Corn at Costco Stores Nationwide

[Los Angeles, CA] – March 26, 2019 – The family-owned and operated gourmet popcorn company, [Popcornopolis](http://Popcornopolis.com), is pleased to announce that the newly designed, sleek twenty-four ounce bag of **Popcornopolis Organic Kettle Corn** Popcorn is available exclusively on Costco.com and at select Costco locations nationwide. Be one of the first to indulge in the bold, new bag and purchase now thru April 7, 2019 and save \$2.70.

“We are elated to offer the crisp, modernly designed bold bag exclusively for our Costco customers,” said Dave Brisbois, Popcornopolis Vice President of Marketing. “We know the quality of every ingredient matters, which is why we designed this bag to specifically showcase the large-scaled, sweet and salty popcorn on the package. The bold packaging reflects the superiority of our product within it - in a fresh, innovative way.”

Sourced with the purest organic ingredients, each bite of Organic Kettle Corn Popcorn brings serious richness to the lightest of snacks. A sweet-and-salty snack, Popcornopolis’ Organic Kettle Corn popcorn is a perfect marriage of sugar and salt dusted on each kernel.

Brisbois adds, “Costco is one of the highest-volume certified **organic food** retailers, and our partnership allows us to share this deliciously, organic treat with more people looking for high-quality, mouthwatering snacks.”

“Made the way it oughta be”, Popcornopolis offers over 20 mouthwatering recipes and is made from American-grown, non-GMO corn. Crafted with big flavor, the company’s gourmet popcorn is also certified gluten-free with no high fructose corn syrup, or added preservatives, and only

the finest ingredients and cooking practices. For more information and a full list of Popcornopolis gourmet varieties visit www.popcornopolis.com.
